Facilities

Boys Hostel

The university has boy's hostel facility which provides good hostel accommodation for the students.

Girls Hostel

The university has girl's hostel facility which provides good hostel accommodation for the students.

Medical/Hospital

The Health Centre at Mizoram University is located at Tanhril campus . The Medical Officers and staff also make regular weekly visits to Pachhunga University College (PUC). The Centre provides basic facility for curative and preventive measures besides playing an important role in educating and monitoring the health status of the students, teachers, non teaching staff and their dependants.

Gym

The university has Gym facility for the students.

Library

Central Library, Mizoram University is housed in an area of 4,496.62 sq.m and has a collection of 1,01,726 books, besides other reading materials; these are supplemented by e-Resources received from INFLIBNET. Library building surrounded by trees is disabled-friendly, barrier free with ramps. It has a power back-up of 100 KW stand alone Solar PV Power Plant to ensure uninterrupted power supply. The Central Library earned the appreciation of NAAC Peer Team as 'having good facilities, good maintenance and a beautiful library' as well as 'one of the best libraries not only in North-East India, but Eastern India'.

Sports

The MZU Sports Department is headed by the Assistant Director of Physical Education with three Coaches, one section officer, one UDC, one LDC and one Peon. The Sports Board under the Chairmanship of the Registrar, Mizoram University, and various members from within the state, arranges for different sports programmes for both within and outside the University which are then implemented by the Sports Department. The Department further plays a key role in taking the initiative for the development of sports activities within the State, and participation in the East Zone Inter University Sports and All India Inter University Sports.

I.T Infrastructure

Information & Communication Technology (ICT) Centre, previously known as Computer Centre, was setup in 2007 under UGC

scheme " Establishment/Upgradation of Computer Centres in universities" for providing ICT related services to students, teaching and Non- teaching staff of the University. The Centre provides computing facilities to students and employees of the university. The Centre has a server room housing five high end servers which provide various services such as Internet, file sharing, etc. for the users. The University has Internet Connection with 1Gbps bandwidth under NKN (National Knowledge Network) scheme is shared over campus network.

Auditorium

The university has an auditorium facility for events and seminar.

Alumni Associations

The Ad Hoc Office Bearers informed the University Authorities that ESAM came into existence and further requested them to take immediate action for the formation of Alumni Association. Since the Alumni Association has been provided for in the MZU Acts & Statutes which was passed by the Parliament, its formation should be done officially under the guidance of University Authorities.

Wifi

The Wi-fi Connection has also been provided to selected locations. Full Wifi Campus Project and Extension of Campus LAN to new buildings is in progress.

Laboratories

The Central Instrumentation Laboratory (CIL) was established in year 2012 with a total budget of Rs. 12.50 Crore under 11th plan and financial assistance with DST, New Delhi. CIL is a specialized research facility which houses 15 sophisticated State-of-Art instruments with other supporting/ basic facilities. It has been created with an objective of providing a central facility of latest and Advanced Analytical Instruments for research in the application areas of physical, environmental, biological, allied and interdisciplinary sciences.

Guest Room/Waiting Room

All requests for reservation of rooms in the Guest House should be applied in writing to the Dy. Registrar (Estate) well in advance. Only those guests who are allotted rooms in the Estate Section should be accommodated.

Careers360 Ranking / Rating

Institutions that are promoted by the central/state or provincial Government or Careers360 shortlists over 5000 colleges across domains each year. Out of these colleges, only those colleges are rated/ranked which provide transparent data requested by Careers360. The cumulative scores of colleges are then calculated and they are divided into clusters as per their scores. Careers360 ranks private and government colleges separately as the support system of both types of Institutions is completely different.
